(Portuguese lyrics & English translation by Carlos Ferreira 10/02/2005 Copyright © 2005 Carlos Ferreira)

<p>Me ajuda, te imploro meu bem Nao me esconda nada Me mostre o caminho de vez No fim de uma estrada Ali encontrei O amor do teu olhar</p>	<p>Help me, I beg you my love Don't hide anything from me Hurry, show me the way Somewhere at the end of a road Where I can find The love in your eyes</p>
<p>A bossa, a viola e a paixao Estao soltos no ar Magia, intensa emocao Fazem este lugar Aqui encontrei O azul do teu olhar</p>	<p>The "bossa", the guitar, the passion Are floating in the air Magic, intense emotion Make up this special place Here I've found The blue of your eyes</p>
<p>Volte comigo amor Eu vim te buscar E no sereno da noite Eu vou te amar Venha comigo depressa Nao posso ficar Sem o azul do teu olhar</p>	<p>Come back with me, my love I came to fetch you And in the dew of the night I'll make love to you Come with me, hurry up I just can't be Without the blue of your eyes</p>
